

Prinsia de Sanratosia

Mesaje a la nasion de la Prinsesa

Per la Dia de la anio nova 2022

Cara popla de Sanratosia,

La anio ce veni de conclui se ia es un anio de grande momentos per nosa Prinsia.

It has been the year of our foundation, forever marked in our history and in our minds.

The Principality of Sanratosia has been a long-time dream and now it has become reality.

2022 is going to be the year of development and growth.

Where Sanratosia is taking its place on the world stage.

It's an important year for the micronational community with Microcon, planned to happen this summer.

C'est une année aussi importante mondialement, marquée par la lutte à la pandémie de COVID-19 et à la lutte aux changements climatiques. Nous espérons que les actions prises par les personnes qui ont le pouvoir de changer les choses se concrétiseront.

Bon anio du mil duses-du.
