SOVEREIGN HOUSE

Celebrations of the first Emergence Day of Sancratosia

*Our Princely Palace in Sancratosia
21 October 2022*

A little more than one year ago, we came up with the idea to finally found our own micronation. This reflexion which started almost 15 years ago, was triggered by the anti-trans acts by a government which had done much harm to many minorities throughout its first mandate.

Exactly one year ago, that reflexion settled on the name of "Sancratosia" as the name of the would-be nation which would become independent.

We never thought we would've made this far. The overwhelming support from the community has made this a wonderful journey and we can't wait to see our principality grow in the upcoming years.

Long live Sancratosia!
